Adam Schiff's Own Ukrainian Connection

Posted October 1st, 2019 by Iron Mike

Shifty Adam Schiff's fake outrage that President Trump might talk to a Ukrainian Leader about the crooked Bidens, – should be taken with a BIG GRAIN of SALT.

Shifty was glad to get money from a Ukrainian arms dealer back in 2013, and his Ukrainian connections should be looked into.

Worldwide Aeros Corp, – formerly of the Ukraine and now of Montebello, Calif (not far from Shifty's 28th Congressional District) is run by Igor Pasternak – an international arms dealer and maker of inflatable airships.

Pasternak was born in [Kazakhstan](#) – moved to Russia and then to the Ukraine, – and now the USA. Most interesting….

And,…he has a side business….

Maybe Mister Schiff needs to come clean about HIS overseas contacts?

About this blog:

RRB is in our eleventh year. Since early 2009 we've been exposing, bashing and mocking traitors, RiNOs, Democrats, and Socialists. We're unabashedly pro-Trump, pro-life, pro-2A, pro-Constitution, pro-TEA Party, anti-Common Core, anti-Obama and anti-Clintons; – because we understand the enormous price that was paid, – both by heroes and by common folk in time, sweat, blood, and tears to give us a free country.
